HILLSIDE HIGH SCHOOL

Hillside High School

Class of 1965

40th Reunion

June 30 - July 3, 2005

HISTORICAL Hillside Class of 1965

Many think that the history of a high school class begins the three years before graduation. The 1965 graduating model of Hillside High School began production in the 1940's. Thus, history for us began when television was a novelty, the man on the Moon was a fantasy, and baseball, just as boxing before it, became much more than a sport.

The common denominator in our class is the past four decades. Anyone in the Hillside Class of '65 will react to the song, "Ave Maria"; the title "Prof"; the wind, "Hazel"; the date, November 23, 1963; the Lady, Ms. Rosa Parks; the man, Rev. Martin Luther King, Jr.; the sound, "keys sliding along the floor", and much much more.

The years have taught us something that the days never knew. Our past can be recaptured through memories and the sharing of a few fleeting moments with old friends. Our present should be treasured as if nothing is promised. Our future is the product of what we do in the present.

We will always have a past. It is in our children, our energies, our contributions and our dreams.

Our HIGHLIGHTS worthy of recall could be any event which made someone smile, including ourselves. It would be difficult as a group to remember a game score from 1965. It is equally difficult to remember a grade point average during our school days. Many of us didn't have one.

The most important statement we have made as a class today is that we are here caring and sharing. We bring a wealth of knowledge, experience, determination, accomplishments and goals. We live many places, yet we are together. We generate different thoughts, yet we can agree. We are unique, yet the same and we are the only one on this planet. We are **"THE HILLSIDE HIGH SCHOOL CLASS OF 1965"!!!**

Reunion Message from the President

Greetings to all my classmates, and best wishes on this beautiful 40th year of our graduation from Hillside High School. As I reflect on this special time, I am experiencing warm flashbacks of smiles, camaraderie, singing, dancing, cooking, dining, families, praying, encouragement, applause, and support in times of need. I also get a strong sense of this particular thought... 'You know, we've done alright by each other over these years'. When we all started on this journey as foolish 18 year olds, no one would have guessed that one of the staples in our life would be the class of '65. There is an easy lesson here that is hard for many to understand, we've always had the most important things in this world and didn't realize it. It comes in human form, and can be identified as family, friends, companions and acquaintances. Mix this up with faith and charity and you've got a formula that can be applied to any of the life's recipes that we chose to undertake.

Why then, will a few of us look for that other sidekick that hides in the corner called "Excuse" to help miss another small period of time that we so richly deserve. Excuse hung with one of our classmates at the 5th year reunion and said; "it's too soon to see those people again". It was at home with that classmate during the 10th and said; "we're not going there to hear about all the things they own". It was sitting with the classmate during our 15th and said; "I can't go because my children are too young or too old". At the 20th it told our bored classmate; "these people are too old to meet and talk about something that happened over 20 years ago". At the 25th it said; "the job will miss me if I leave for a week". At the 30th and 35th, it said, "I don't look the same as I did in 65". At the 38th it said; "you're only supposed to meet every 5 years, these Negroes can't count". I have no idea what it will say to our classmate at the 40th, but if you come to your reunion, you won't see Excuse. We killed that son of a gun the first year!!!

I am excited about seeing you on our reunion weekend, and I will say the same thing that I have for all these years. It is good to see you, and I'm glad you are my classmate. It is truly a Blessing that we are able to meet after forty years.

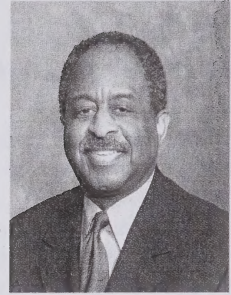

There is a saying: The person who cannot see the ultimate becomes a slave to the immediate. We have never looked to the reunion nor used the reunion for anything other than a few shared moments with old friends. I think that if at 18 years of age we would have read and understood the following quote from Charles de Montsquier, we would have benefited greatly from the wisdom: If we only wanted to be happy it would be easy; but we want to be happier than other people, which is almost always difficult, since we see them happier than they are.

Since you are here, it is obvious that you did not bring that sidekick "Excuse" with you. Welcome home, and enjoy.

Welcome Mr. Jackie Robinson, Class President and the Hillside High School Class of 1965!

On behalf of the Durham City Council, I would like to extend to each of you a hearty greeting. We are happy to have you celebrate your 40th class reunion of the Hillside High School from June 29 through July 3, 2005 at the Radisson Governors Inn, RTP with the theme **"40 Blessings For '65 in '05."**

As I am sure you know, Durham has a proud and diverse heritage in which Hillside Hill School continues to play an important part. We are the home of North Carolina Central University, Duke University, North Carolina School of Science & Mathematics and Durham Technical Community College, all with exemplary and nationally recognized programs. Durham is the headquarters for the world-renowned Research Triangle Park and many national and international corporations. We are also the home of the world famous Durham Bulls Baseball team.

As you come together to reminisce and talk about the good old days, I do hope that this reunion will be a most memorable and happy occasion for all.

Special activities have been planned to celebrate this occasion and it is fitting that we extend Durham's own brand of Southern hospitality by saying welcome home, and please let us know if we can be of further assistance.

Have a successful and joyful 40th class reunion!

Sincerely,

William V. "Bill" Bell

Mr. Thomas Merion Davis

January 29, 1921 – April 20, 2005

Thomas Merion Davis was born January 29, 1921 to Silas and Ida Davis. He attended the Durham Public Schools and graduated from Hillside High School in 1938. He received a Bachelor of Science (B.S.) Degree in 1942 from North Carolina College for Negroes, now North Carolina Central University. He served in the U. S. Army during World War II with overseas duties in North Africa, the Middle East and European Theaters of War. He obtained the rank of Staff Sergeant in the U. S. Army Medical Corps of the 482nd Port Battalion. In 1947, immediately following his discharge at the end of World War II, he re-entered NCC and was awarded a Master of science (M.S.) Degree in Biology and Education.

After receiving his M.S. Degree, he taught Biology at Hillside for 37 years. Mr. Davis also taught Driver's Education, served as advisor of the school Safety Patrol, Chairman of the Science Department, and Chairman of the Sophomore, Junior, and Senior Classes, respectively. He served as a Faculty Marshal for 10 years and retired in 1983.

He had three daughters who attended Hillside High School: Brenda Barbee, a member of the "wonderful" Hillside Class of 1965, Sharon Sherrer, and Kimberly Jones.

One year after retirement, Mr. Davis worked parttime as coordinator of volunteer workers at the Duke University Eye Center (1984-2001). He was active in many professional, civic and community activities such as: organizer and first president of the Campus Hills Community Council, ran for the Durham City Council in 1991, a member of the Martin Luther King Steering Committee, and a member of the Durham City/County Planning and Zoning Committee. He enjoyed fellowshiping with people, encouraging and helping others whenever possible.

Mr. Davis was an active member of the Beta Phi Chapter of the Omega Psi Phi Fraternity (1941-2005). He received a certificate for Outstanding Service to the Beta Phi Chapter (1975), a forty-year plaque (1982), was named the Omega Psi Phi Man of the Year (1984), and was awarded a 50-year pin (1992).

As you can see, Mr. Davis was a real trooper who lived a very colorful and productive life and was known and loved by many. He was known by almost forty decades of Hillside High School students and attended many class reunions, including those of the industrious Class of 1965. He attended his last reunion at the 35th reunion breakfast for the Class of 1965. Memories of him will be cherished by his family, friends, teachers and students of "Dear Old Hillside High".

Hillside High School

Hillside High School was founded in 1887 by James A. Whitted. In 1921, the Whitted School burned and John Sprunt Hill donated the money for a new building on Umstead Street on a "hillside". In 1950 overcrowding forced the school to move to the Concord Street site, where we attended high school.

After having attended different elementary schools, Whitted Jr. High School became the foundation for a lifelong friendship for many of us. This setting set the tone for almost a half century of a special bond which we possess; a bond that held many of us together through college, marriages, illnesses, deaths of loved ones and family members, reunions, and just through thick and thin.

Although Hillside has been relocated, let us not neglect the spirit and camaraderie for which we are known. Three cheers, three cheers for Hillside High.

“LIFT EVERY VOICE AND SING”

Lift every voice and sing, till earth and heaven ring,
Ring with the harmonies of liberty;
Let our rejoicing rise, high as the listening skies,
Let it resound loud as the rolling sea.

Sing a song full of the faith that the dark past has taught us,
Sing a song full of the hope that the present has brought us;
Facing the rising sun of our new day begun,
Let us march on till victory is won.

Stony the road we trod, bitter the chastening rod,
Felt in the days when hope unborn had died;
Yet with a steady beat, have not our weary feet,
Come to the place for which our fathers sighed?

We have come over a way that with tears has been watered,
We have come, treading our path through the blood of the slaughtered;
Out from the gloomy past, till now we stand at last.
Where the white gleam of our bright star is cast.

God of our weary years, God of our silent tears,
Thou Who has brought us thus far on the way;
Thou Who has by Thy might, led us into the light,
Keep us forever in the path, we pray.

Lest our feet stray from the places, our God, where we met Thee.
Lest our hearts, drunk with the wine of the world, we forget Thee;
Shadowed beneath Thy hand, may we forever stand,
True to our God, true to our native land.

May God Bless You All Til We Meet Again!

ALMA MATER

Hillside High, oh Hillside High
We Cherish thee with honor
Tho' someday we're far away
We'll praise thee with our hearts
We'll be true forever
To a school so dear
You will live forever
Through all eternity.

CHORUS:

Dear Old Hillside how we love thee
How we love the Blue and White
From us thy name shall ne'er depart
Never will it die
Our hearts are gleeful
Filled with joy and pride
Your memory lingers always
Three cheers, three cheers for Hillside High.

Upon the hill dear Hillside High
With courage we proclaim thee
We, your sons and daughters, too, are
Always true to you
We'll forever love thee
Yours a lasting name
It will be our duty
To always keep your fame.
